ADVERTISEMENT FOR SEALED BID PROPOSALS

Amerson Water Treatment Plant - #2 Finish Water Pump to VFD Upgrades - Installation

Sealed proposals from vendors for the installation of Rockwell Automation, 4160 Variable Frequency Drive, 7000B frame, as specified per Process Plus Engineering bid package. A **mandatory pre-bid** meeting is scheduled for Tuesday, June 28 at 10:00 am at the Amerson Water Treatment Plant, 703 River Bend Road, Macon, GA 31211.

Sealed bids are to be received by the Macon Water Authority (the "Owner") at the Owner's office, 951 Fifth Street, Macon-Bibb, Georgia – 31202-0108, by 11:00 am local time on Friday, July 11, 2017. The Owner shall not consider late proposals.

Scope of Services

Contractor to provide materials, equipment and labor to install maintenance pad and remove and replace simple starter with Rockwell Variable Frequency Drive, 7000 B Frame, 4160 Volt, supplied by Macon Water Authority, as per the specification and drawings supplied by Process Plus Engineering. All contractors shall be recognized by Rockwell as having successfully installed a Medium Voltage, 7000 series, Variable Frequency Drive. References shall be provided to Macon Water Authority for confirmation.

Scope and specification documents are available for download on the Macon Water Authority web site beginning on May 29, 2017.

Should there be any questions individuals can contact Macon Water Authority, Mark S. Cloutier – P.E. at 478-464-5644.

Only Rockwell recognized contractors may submit proposals.

The Owner reserves the right to reject any or all proposals, and to waive technicalities and informalities.

A Mandatory Pre-Bid meeting is scheduled for Wednesday, June 28, 2017 at 10:00 am at the Amerson Water Treatment Plant, 703 River Bend Road, Macon, GA 31211.
