ADVERTISEMENT FOR SEALED BID PROPOSALS
Lower Poplar Influent Pumping Station Exhaust Fan Replacement**

Sealed proposals from vendors, for replacement of eleven exhaust fans for the Influent Pumping Station located at Lower Poplar Street Waste Water Plant. A **mandatory pre-bid** meeting is scheduled for Wednesday, July 12, 2017 at 9:00 am at the Lower Poplar Water Reclamation Plant, 1101 Poplar Street, Macon, GA 31201.

Sealed bids are to be received by the Macon Water Authority (the "Owner") at the Owner's office, 951 Fifth Street, Macon-Bibb, Georgia – 31202-0108, until 12:00 pm (Noon) local time on Wednesday, August 2, 2017. The Owner shall not consider late proposals.

Scope of Services

Contractor to provide materials, equipment and labor to replace each exhaust fan. The replacement exhaust fans should be industrial grade and be resistant to Hydrogen Sulfide (H₂S). The connecting duct work will also need to be replaced. The duct work will need to be made from stainless steel. The connecting duct work will also be required to have Fire Stats installed for fire protection.

The Owner reserves the right to reject any or all proposals, and to waive technicalities and informalities.
