

NON-SINGLE FAMILY RESIDENTIAL (NSFR) STORMWATER SERVICE FEE CREDIT APPLICATION/RENEWAL FORM

NSFR Application Instructions

If applying for a stormwater service fee credit, please follow the credit application procedures and fill out this form completely. One application must be submitted for each separate customer account. Multiple stormwater controls/credit requests may be included in the application for a single customer location/account.

Please ensure all stormwater management facilities are properly designed, constructed, and continue to be properly maintained. Attach all the necessary documentation to support the service fee credit request, as outlined in Section 2 of the MWA Stormwater Credit Manual.

For more information concerning the MWA's credit policies and procedures, please visit:
<http://www.maconwater.org/stormwater-user-fee-credits>.

Required documentation shall include, but is not necessarily limited to, the following:

1. Facility site plan with stormwater facilities/controls with delineated drainage areas.
2. Description of stormwater control facilities.
3. Appropriate pages from Volume 2 of the GSMM (latest version) identifying design requirements for each on-site stormwater control.
4. Documentation that the stormwater control facilities meet one or more criteria for the stormwater service fee credit(s).
5. Appropriate professional certification(s), if required per the MWA Stormwater Credit Manual.
6. Pertinent regulatory compliance documentation, if applicable.
7. Completed Right-of-Entry Agreement (if applicable) and/or a maintenance plan (if applicable) per the requirements of the MWA Stormwater Credit Manual.
8. Other pertinent information to support the stormwater service fee credit request.

A completed copy of this application with attachments, can be mailed or emailed to:
