

MACON WATER AUTHORITY ADVERTISEMENT FOR REQUEST FOR PROPOSALS FOR INSTALLATION SERVICES FOR AMI-ENABLED LARGE WATER METERS

The Macon Water Authority is soliciting Statements of Qualifications from firms interested in providing installation services for the **Large Meter and Advanced Metering Infrastructure (AMI) Device Installation Project** in Macon, Georgia. This Request for Proposal (RFP) seeks to identify potential providers of the above-mentioned services. Some Firms that respond to the RFP, who are determined by the Owner to be especially qualified, may be shortlisted and may be invited to an interview for these services.

Scope of Services

The Project consists of labor services to install approximately 2,200 water meters within the Owner's service area. The Owner is purchasing the AMI system hardware through a separate agreement with Neptune Technology Group.

The preliminary engineer's budgetary estimate for the project is \$3,500,000.00, excluding Optional Bid Items listed in the pricing tables of the RFP.

RFQ documents may be obtained by contacting:
